

Arts & Crafts

In this area, please help me to...

- ⚡ Learn to express my thoughts and ideas through creative projects**
- ⚡ Explore and learn about the different colors, shapes, sizes, and textures**
- ⚡ Develop my fine motor skills by teaching me how to hold crayons and markers. Scribbling, tearing, drawing, cutting, opening glue, writing my name and peeling stickers all help me to develop the small muscles in my hands.**
- ⚡ Learn important social skills as I cooperate with friends, share ideas and take turns.**

Blocks

In this area, please help me to...

- Learn math and logic skills as I select, build with, and clean up blocks.
- Develop motor skills and hand-eye coordination. Lifting and carrying blocks helps me develop my large muscles, while linking small blocks together helps me develop the small muscles in my hands.
- Expand my creativity and imagination through pretend play.
- Learn important social skills as I cooperate, take turns and begin to negotiate conflicts.

Dramatic Play

In this area, please help me to...

- 🌀 **Learn pretend play skills by acting out roles of both real and imaginary characters.**
- 🌀 **Develop fine motor and self-help skills as I dress and undress myself or baby dolls and fasten snaps, buttons, and zippers.**
- 🌀 **Learn social skills as I cooperate, share play ideas, take turns and wait.**

Literacy Corner

In this area, please help me to...

- ➡ **Develop reading, writing and language skills while I look at books, magazines, and other print material with you.**
- ➡ **Use books and other literacy materials to expand my knowledge about new subjects such as science, math and history.**
- ➡ **Develop social skills in the literacy corner as I share books and read with my friends.**

Sand & Water Table

In this area, please help me to...

-  **Expand my sensory tolerance by exploring the look and feel of sand and water.**
-  **Learn about science concepts by measuring, contrasting, and mixing materials together.**
-  **Develop my motor skills by pouring, sifting, mixing, and scooping.**
-  **Learn social skills as I cooperate, share my play ideas, take turns, and negotiate conflicts with friends.**
