## inclusion Team Planning Worksheet

| what are we going to do? | what materials do we | who will create the | when will it get done? |
|--------------------------|----------------------|---------------------|------------------------|
|                          | need?                | modification?       |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
|                          |                      |                     |                        |
