LASER GUARANTEED

Electronic Imaging Guarantee
EarthChoice® Colors® cut-size items are guaranteed to run on laser and inkjet printers, copiers and plain paper fax machines within the limitations specified by the equipment manufacturer. The guarantee excludes issues related to form design, converting, post processing or equipment. Selection, handling and conditioning of digital papers consistent with equipment manufacturing recommendations is the responsibility of the end use. Domtar encourages testing of digital papers prior to purchase of large quantities. Samples are available by request.
