AUGUST 17, 2021

ReSound GN

Curious about President Biden's OTC Executive Order?

RESOUND AND GN ARE HERE TO HELP

Join us for a discussion on GN's latest technological innovations that put you in the center of the expanding hearing healthcare market. Learn how you can benefit from the exciting opportunities emerging with these new regulations.

In this 90-minute virtual session, you will hear from some of GN's most visionary and dynamic leaders:

11:00 AM – 12:30 PM (CDT): Webinar presentation

INSIGHTS: Getting to know the patients of today and the future

- Findings from our latest user and hearing care professional focus groups

VISION: Why Organic Hearing?

- Keeping human intelligence at the heart of innovation
- Designing new advanced receivers for more individualized patient experiences

SOLUTIONS: Helping many more patients to Hear more, Do more and Be more

- Expanding the ReSound ONE family - introducing M&RIE 2.0
- Exclusive premiere of an ALL-NEW solution to enhance your practice

12:30 PM – 1:30 PM: Join live Q&A and Topic Lounges in the Virtual Exhibit Hall

Completion of this course qualifies for 0.15 CEUs.

Register now at pro.resound.com/en-us/lp/event-registration or contact a ReSound Representative at 800.248.4327 to reserve your space!
