Baystate Medical Center

Baystate Medical Center (the “Hospital Facilities”) do not employ their own physicians. Each physician bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) in the Hospital Facilities are covered by the BH Hospitals Financial Assistance Policy (the “FAP”):

- Allergy & Immunology
- Anesthesiology
- Behavioral Health (Psychiatry)
- Cardiology
- Cardiovascular Disease
- Critical Care Medicine
- Dentistry
- Dermatology
- Emergency Medicine
- Endocrinology
- Family Medicine
- Gastroenterology
- Geriatrics, Palliative Care & Post Acute
- Hand Surgery
- Hematology/Oncology
- Hospital Medicine
- Infectious Disease
- Internal Medicine
- Medical Genetics
- Neonatology
- Nephrology
- Neurology
- Neurosurgery
- Obstetrics & Gynecology
- Orthopedics
- Ophthalmology

- Plastic Surgery
- Podiatry
- Pulmonary Medicine
- Radiology
- Rheumatology
- Sleep Medicine
- Surgery
- Surgical Oncology
- Telemedicine
- Thoracic Surgery
- Urology
- Wound Care

Only emergency or other medically necessary care provided within a Hospital Facility by the Hospital Facility itself is covered by the FAP – i.e., the FAP applies only to (i) emergency or other medically necessary care provided by employees (e.g., nurses) of a Hospital Facility and (ii) other costs incurred directly by a Hospital Facility with respect to the provision of such care.
Baystate Noble Hospital

Baystate Noble Hospital (the “Hospital Facilities”) do not employ their own physicians. Each physician bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) in the Hospital Facilities are covered by the BH Hospitals Financial Assistance Policy (the “FAP”):

- Allergy & Immunology
- Anesthesiology
- Cardiology
- Dentistry
- Dermatology
- Emergency Medicine
- Endocrinology
- Family Medicine
- Gastroenterology
- Hand Surgery
- Hematology/Oncology
- Hospital Medicine
- Infectious Disease
- Internal Medicine
- Nephrology
- Neurology
- Obstetrics & Gynecology
- Ophthalmology
- Orthopedics
- Pathology (Anatomic and Clinical)
- Physical Medicine & Rehabilitation
- Plastic Surgery
- Podiatry
- Psychiatry
- Pulmonary Medicine
- Radiology
- Rheumatology
- Sports Medicine
- Surgery
- Telemedicine
- Thoracic Surgery

Only emergency or other medically necessary care provided within a Hospital Facility by the Hospital Facility itself is covered by the FAP – i.e., the FAP applies only to (i) emergency or other medically necessary care provided by employees (e.g., nurses) of a Hospital Facility and (ii) other costs incurred directly by a Hospital Facility with respect to the provision of such care.
Baystate Franklin Medical Center

Baystate Franklin Medical Center does not employ its own physicians.

The emergency or other medically necessary care provided by physicians (or other third-party providers, if any) in Baystate Franklin Medical Center, in conjunction with Emergency Medicine only, is covered by the BH Hospitals Financial Assistance Policy (the “FAP”).

Otherwise, each physician bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) in Baystate Franklin Medical Center are covered by the FAP:

With the exception of Emergency Medicine, only emergency or other medically necessary care provided within Baystate Franklin Medical Center by Baystate Franklin Medical Center itself is covered by the FAP – *i.e.*, with the exception of Emergency Medicine, the FAP applies only to (i) emergency or other medically necessary care provided by employees (*e.g.*, nurses) of Baystate Franklin Medical Center and (ii) other costs incurred directly by Baystate Franklin Medical Center with respect to the provision of such care.
Baystate Wing Hospital

All emergency or other medically necessary care provided by Baystate Wing Hospital is provided at Baystate Wing Hospital. Certain of the physicians who provide such emergency or other medically necessary care are not employees of Baystate Wing Hospital.

All emergency or other medically necessary care provided at Baystate Wing Hospital – whether by such third-party physicians (or other third-party providers, if any) or by Baystate Wing Hospital itself – is covered by the BH Hospitals Financial Assistance Policy (the “FAP”). Accordingly, emergency or other medically necessary care provided by providers at Baystate Wing Hospital, in conjunction with the following services, is covered by the FAP:

- Allergy & Immunology
- Anesthesiology
- Cardiology
- Dentistry
- Emergency Medicine
- Endocrinology
- Family Medicine
- Gastroenterology
- Hematology/Oncology
- Hospital Medicine
- Infectious Disease
- Internal Medicine
- Nephrology
- Neurology
