

We're with you all the way

Your complete trucking insurance cover in a single package

If your transport business runs up to 25 vehicles our comprehensive Truckpac insurance package is purpose-designed to protect your livelihood - with reduced time and paperwork.

Working with our transport association partners and drawing on our 30+ years of experience with the heavy motor transport industry, we developed Truckpac to safeguard your business against the key risks you face, delivered in a single policy.

The cover includes theft, fire, accident contingencies, hazardous goods and down time, as well as combined public and products liability, and has been structured to benefit both small to medium sized fleets and owner-operators.

Why choose Truckpac?

- specialised **sector-specific approach** that ensures you have the right cover for your activities
- vehicles replaced **new for old** for first 36 months of registration
- **owned, hired or leased vehicles** covered
- **hazardous goods** liability to \$5,000,000
- **non-owned trailers** \$100,000 for any one event.

“ *My relationship with Gallagher has been long standing due to the trust I have in their knowledge and capabilities. We rely on our insurance broker ensuring that we are covered in all aspects of our business and understanding our needs.* ”
