Coil Cleaners & Disinfectant
Expanded line of specifically formulated A/C & refrigerant system chemicals.
RectorSeal has added six new, highly effective, specifically formulated coil cleaners to the line.

Each formula powers off years of dirt and buildup to restore performance. Cleaning action infuses deep into coils to dissolve away all hidden grease and dirt. Cleaning can dramatically reduce run time and energy costs. The system will look like new! Cleaners range in strength from max strength acidic and alkaline based to milder formulas for indoor use. Cleaner properties range from max foaming to self-rinsing, liquid and aerosol.

## Con-Coil™

- **Max strength. Acid based coil cleaner.**
- **Applications**: Condenser coils
  - Air cooled condenser coils
  - Aluminum
  - Cooking grease
  - Electronic air filters
- **Features**
  - High foaming
  - Brightening
  - Degreasing
  - Biodegradable
  - Concentrated
- **Applications**
  - Condenser coils
  - Aluminum
  - Cooking grease
  - Electronic air filters

## Renewz™

- **Max strength. Alkaline based coil cleaner.**
- **Applications**: Condenser coils
  - Air cooled condenser coils
  - Aluminum
  - Cooking grease
  - Electronic air filters
- **Features**
  - High foaming
  - Brightening
  - Degreasing
  - Biodegradable
  - Concentrated
- **Applications**
  - Condenser coils
  - Aluminum
  - Cooking grease
  - Electronic air filters

## Foam-Core™

- **Max Foaming. Alkaline based coil cleaner.**
- **Applications**: Condenser coils
  - Air cooled condenser coils
  - Aluminum
  - Cooking grease
  - Electronic air filters
- **Features**
  - High strength
  - Max foaming
  - Biodegradable
  - Concentrated
### Coil Cleaners - Evaporator

**Coil-Rite™**
- **Mild strength. Self-rinsing coil cleaner.**
- **Applications:** EVAPORATOR COILS
  - Powerful surfactant removes oil, grease and dust. Cleans grease and dirt off of surfaces which are normally inaccessible.
  - Recommended for:
    - Evaporator coils
    - Air handling equipment
    - Electronic and permanent air filters
    - All mechanical equipment

**Coil-Cure™**
- **Strong disinfectant. Self-rinsing coil cleaner.**
- **Applications:** Non-abrasive, one-step disinfectant cleaner designed specifically for HVAC equipment in homes, nursing homes, institutions, offices, schools, motels and hotels.
  - Recommended for:
    - Disinfecting and cleaning A/C evaporator coils
    - HVAC Catchpans - Floors - Walls - Table tops
- **Features:**
  - EPA registered
  - Disinfects against Canine Parovirus
  - Kills Legionella pneumophila
  - Effective via AOAC methodology against a wide variety of organisms
  - Controls mold and mildew
  - Cleans and deodorizes
  - Cuts grease and grime without scrubbing
  - No rinsing required

**Desolv™**
- **High strength mini-split cleaner. No foam.**
- **Applications:** MINI-SPLIT EVAPORATOR COILS
  - Deep cleans mini-split A/C evaporator units.
- **Features:**
  - High strength
  - No foaming
  - Self-rinsing

**Clean-N-Safe™**
- **Mild strength. Self-rinsing coil cleaner.**
- **Applications:** Non-abrasive, one-step disinfectant cleaner designed specifically for HVAC equipment in homes, nursing homes, institutions, offices, schools, motels and hotels.
  - Recommended for:
    - Disinfecting and cleaning A/C evaporator coils
    - HVAC Catchpans - Floors - Walls - Table tops
- **Features:**
  - EPA registered
  - Disinfects against Canine Parovirus
  - Kills Legionella pneumophila
  - Effective via AOAC methodology against a wide variety of organisms
  - Controls mold and mildew
  - Cleans and deodorizes
  - Cuts grease and grime without scrubbing
  - No rinsing required

### Coil Cleaners - Multi Purpose

**D-Factor™**
- **Max degreasing. Self-rinsing coil cleaner.**
- **Applications:** CONDENSER/EVAPORATOR COILS
  - Extra strong heavy duty detergent-based formula rapidly removes grime, oil, grease and dust.
  - Cleans grease and dirt off of surfaces which are normally inaccessible.
  - Recommended for:
    - Condenser/evaporator coils
    - Air handling equipment
    - Electronic and permanent air filters
  - **Features:**
    - Low foaming
    - Non-acid
    - Biodegradable
  - **Concentrated**

**K.O. Dirt Blaster™**
- **Max degreasing. Multi-purpose solvent based cleaner.**
- **Applications:** CONDENSER/MULTI-PURPOSE
  - Very powerful degreasing coil cleaner designed specifically for HVAC equipment on all types of surfaces and equipment.
  - Recommended for:
    - Small condenser coils - Oil burner surfaces
    - Machine parts - Electrical switches - Relays
    - Circuit breakers - Motors - Compressors
  - **Features:**
    - High strength
    - No foaming
    - Self-rinsing
    - High pressure stream
COIL CLEANER SELECTOR GUIDE

Complete line of superior coil cleaning products. The right cleaner for every application.
