PRODUCT DATA SHEET

COVER GUARD™

Adjustable Lineset Duct and Fittings

Description

The Cover Guard adjustable lineset cover system is designed to protect and conceal exposed ducted and ductless HVAC piping. It complements any residence or business with a finished look. Cover Guard's 4-stage adjustability allows for a wide range of line sizes, from 1.75 to 3.5 inches deep. The easy lock adjustable fittings can be opened and closed as needed for critical adjustments whenever necessary. Installation is easy with its convenient peel-and-go film, as well as the quick snap covers that won't release under pressure.

Additional information:

- Weather and UV stabilized: Temp range -4°F to 140°F.
- Protects linesets from pets, pest, and vandals: Flat bottom channel and elbow hugs wall, eliminates insect and bird nests.
- Interior adjustable tabs allow the cover to quickly snap in and secure the cover in place.
- Free-sliding zip-tie clips are pre-installed, relocating quickly and easily to position the zip tie where it's needed most.
- Plastic cam screws only require a 1/4 turn to lock in place. Resistant to rust, overtorque or cracking the fitting.
- · 3 color options: White, brown and gray.

Applications

Avoids damage to HVAC systems by protecting lineset, wiring, and drain hose from weather, vandalism, pet and pest damage. Covers and fittings for the majority of applications; available in a wide assortment of sizes and colors.

Lineset Cover Kits

Each Cover Guard 3" Wall Duct Kit includes three 48"x 3" channel bases and covers (12'), two 3" couplers, a 3" wall inlet, a 3" end cap, a 3" flat 90 elbow. Complete with zip-tie clips and cam screws.

Each Cover Guard 4.5" Wall Duct Kit includes three 48"x 4.5" wide channel bases and covers (12'), two 4.5" couplers, a 4.5" wall inlet, a 4.5" end cap, a 4.5" flat 90 elbow. Complete with zip-tie clips and cam screws.

Specifications

3" single-zone, external width = 3.625" Expanding internal dimensions:

4.5" multi-zone, external width = 5" Expanding internal dimensions:

Characteristics | Features

- Adjustable cover that allows for extra versatility when installing
- Complete offering of fittings to meet every installation need
- Quick snap cover won't release under pressure
- Components are UV stabilized
- Easy to hold large and rust-resistant cam screws
- Additional cam screw in each fitting
- Internal adjustable tabs
- Pre-installed sliding zip-tie clips
- Pre-paint finish and is paintable
