## CERTIFICATE OF LISTING

**Issued To:** FLEXCON INDUSTRIES

**File Number:** 3422

**Product:** Pre-Pressurized Water Expansion Tanks

This IAPMO R&T Listing is current as of May 26, 2023

### **Identification:**

Each Pre-pressurized tank shall be permanently and legibly marked with the manufacturer's name or trademark; model number; factory pre-charge pressure; maximum working pressure or pressure rating; maximum operating temperature; and intended service, where applicable (e.g., "potable water" or "non-potable water applications only").

Markings shall be visible after installation. Product shall also bear the cUPC® certification mark.

### **Characteristics:**

Pre-pressurized water expansion tanks intended for use in potable and non-potable water systems. To be installed with listed fittings, in accordance with the manufacturer's instructions, and the requirements of the latest edition of the Uniform Plumbing Code and National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

# Models
