GRIME-SOLV™

Foaming, heavy duty cleaner & degreaser

Description

GRIME-SOLV™ is a foaming, heavy duty, cleaner and degreaser, for use on marine and automotive engines, heating, air conditioning and refrigeration equipment, and all types of machinery that can be rinsed with water or wiped with a rag. The foam holds the cleaning agents where sprayed, concentrating the powerful emulsifiable chemicals to lift off dirt and grease.

Characteristics | Features

- Non-flammable
- Non-corrosive
- Excellent cleaner/degreaser
- Safe for metals
- Wipes clean or rinses with water

Applications

GRIME-SOLV™ lifts encrusted grime, grease or carbon from oil burning, air conditioning and refrigeration equipment, marine and automotive engines and other machinery that can be rinsed with water or wiped with a rag. Can be used to remove stains from concrete driveways and brick walls, to clean white wall tires, and for cleaning surfaces before painting.

Instructions

READ ALL DIRECTIONS, SDS AND WARNINGS ON LABEL BEFORE USING

- SHAKE WELL BEFORE USING.
- Spray from 6 to 10 inches away and thoroughly saturate areas to be cleaned. Faster action is obtained by gently brushing GRIME-SOLV™ into the grease and grime being removed. Brushing is essential on unusually heavy deposits.
- Allow GRIME-SOLV™ to penetrate for a short time.
- Flush off with water – the stronger the stream the better. When hosing down engines, be certain to start the engine as soon as possible and idle until the engine becomes warm enough to evaporate the water.
- If used on painted surfaces, wash GRIME-SOLV™ off immediately to avoid removing the wax finish or streaking the paint.
- Test on plastic surfaces prior to use. Product will damage certain plastics.

Precautions

FOR CHEMICAL EMERGENCY, SPILL, LEAK, FIRE, EXPOSURE OR ACCIDENT,
CALL CHEMTREC - DAY OR NIGHT 1-800-424-9300

WARNING!
CAUSES SKIN AND SERIOUS EYE IRRITATION
MAY CAUSE RESPIRATORY IRRITATION
HARMFUL IF SWALLOWED
KEEP OUT OF REACH OF CHILDREN

CONTAINS: Perchloroethylene and Methylene Chloride. Contains gas under pressure; may explode if heated. Suspected of causing cancer. May cause an allergic skin reaction. May cause drowsiness or dizziness. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves and eye protection. Wash hands thoroughly after handling. Avoid breathing spray. Use only outdoors or in a well-ventilated place. Contaminated work clothing must not be allowed out of the workplace. Specific treatment (see FIRST AID section on this label). Protect from sunlight. Store locked up in a well-ventilated place. Dispose of container in accordance with local regulations.

FIRST AID: IF EXPOSED OR CONCERNED: Get medical advice. IF ON SKIN: Wash with plenty of water. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical advice. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a Doctor if you feel unwell.

Since this product contains chlorinated solvents, keep used product in a separate container with other chlorine containing products. Do not mix chlorinated products with waste fuel oil.

WARNING: This product can expose you to chemicals including Perchloroethylene and Methylene Chloride, which is known to the State of California to cause cancer and other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

For additional information, refer to Safety Data Sheet.
