**FEATURES**

- Light-weight at less than 11 lbs
- Extreme durability with load capacity of more than 1400 lbs
- High anchoring strength for securing equipment
- Textured surface to prevent equipment sliding
- Long-term exterior weather resistance including UV resistance and freeze/thaw resistance
- Vibration absorbing
- Chemical resistance against R-407c and R-410A, compressor oil, coil cleaners, and salt solution
- Contains an EPA registered insecticide built-in to protect the product
- Does not chip and is not damaged by weed trimmers

Available for Mini-split too!
