CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Effective Date: March 2019

Void After: March 2024

Product: CPVC Solvent Cements (One Step)

File No. 4586

Issued To: Rectorseal Llc.
2601 Spenwick Drive
Houston, TX 77055-1035

Identification: Labels are to contain the manufacturer's or supplier's name and address, tradename, trademark, or both, "ASTM F493", function of the material (cement for CPVC pipe and fittings), cement type (regular, medium, or heavy bodied), pipe sizes, SDR's and schedules for which the cement is recommended, procedure or instructions for application of the cement, lot number of batch, the seal or mark of the testing laboratory making the evaluation for those products intended for use on potable water systems, end use application, all required warnings and cautions necessitated by ingredients and handling and distribution of the product, requirement of law, and the UPC® certification mark.

Characteristics: Chlorinated Poly(Vinyl Chloride) is intended for use with listed CPVC 41 Chlorinated Poly(Vinyl Chloride), pipe, tubing and fittings, and the one step CPVC Solvent cements are intended for use with listed 1/2 inch through 2 inch listed CPVC pipe and fittings; otherwise, a certified CPVC solvent cement primer must be used. These products shall be in accordance with the manufacturer's instructions, technical bulletins, labels and the latest edition of the Uniform Plumbing Code.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
