Description
Actabs™ DMSS is an EPA registered biocide evaporator pan treatment specifically formulated for ductless mini-split evaporator units to eliminate or prevent most blockages in drain pans, reservoirs and drain pans due to the buildup of biofilm, rust, scale, sludge, air-borne dust, silt and other solids. Compatible with all condensate pumps. Helps stop damage to floors, ceilings and equipment.

Applications
Compatible with all condensate pumps.

When used according to directions, it will inhibit the growth of the following organisms: thermoactinomycetes vulgaris, Pseudomonas effusa, Pseudomonas aeruginosa, Bacillus circulans, Bacillus licheniformis, Bacillus megaterium, Aerobacter aerogenes and Escherichia coli.

DIRECTIONS FOR USE:
READ MSDS, ALL DIRECTIONS AND WARNINGS ON LABEL BEFORE USING WEAR SAFETY GOGGLES AND RUBBER OR PLASTIC GLOVES.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Remove Filter. Place 2 tablets per one ton of air conditioning in the drain pan as far away from the drain opening as possible. If the space is too small, fit 2 tablets between the coil and the drain pan as far away from the drain opening as possible. Replace filter. Apply 2 additional tablets every 3 months or whenever odors occur. Treatment may be more effective if drain pan or reservoir is emptied and cleaned before each tablet application.

For additional technical information, call Toll Free 1-800-231-3345.

Shelf Life 2 years minimum, subject to inspection

Suggestions and recommendations covering the use of our products are based on our past experience and laboratory findings. However, as we have no control as to the methods and conditions of application, we only assume responsibility for the uniformity of our products within manufacturing tolerances.

DANGER! CORROSIVE
Causes irreversible eye damage and skin burns.

FOR CHEMICAL EMERGENCY, SPILL, LEAK, FIRE, EXPOSURE OR ACCIDENT, CALL CHEMTREC-DAY OR NIGHT 1-800-424-9300.

PRECAUTIONARY STATEMENTS: PREVENTION: Do not get in eyes, on skin, or on clothing. Wear chemical goggles, protective clothing, and rubber gloves. Harmful if swallowed or absorbed through the skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. RESPONSE: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. STORAGE & DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. PESTICIDE DISPOSAL: Pesticides wastes may be hazardous. Improper disposal or excess pesticide, spray mixture or rinseate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance. CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent.) Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. KEEP OUT OF REACH OF CHILDREN.

For additional information, refer to Safety Data Sheet.
