

# Individual Labor Leader Protection Union Liability Insurance

Title V of the Landrum Griffin Act, also known as the Labor Management Reporting and Disclosure Act (LMRDA) generally provides that it is against public policy to relieve union officers of liability for certain breaches of duty, such as personal profit, fraud, conflict of interest, anti-trust, or racketeering allegations. Thus, labor leaders can be personally responsible for all defense costs. Ullico Casualty Group, LLC's Individual Labor Leader endorsement on the Union Liability policy pays defense costs for allegations like these, subject to the terms, conditions, and exclusions of the policy.
