

Route numbers that begin with an "S" are reserved for school, sixth form and college pupils only. Pupils from any year group and from any school or college located on the route can travel on these buses. If you need to travel on the same bus as pupils from another school then please sit with others from your own school, ideally from your own year group. Where possible we are asking you to maintain social distancing, although capacity on these buses will be increased allowing students to sit next to each other and standing if necessary. The seats behind the driver and any facing each other will be taped off and should not be used. We recommend that all pupils over the age of 11 wear a face covering, exemptions apply.

If your journey has a new **additional bus, two buses** running together or **bigger buses** social distancing and reduced capacity rules will apply, which are clearly marked out onboard. If you are over 11 you will be required to wear a face covering on these services, exemptions apply, we have ensured there is plenty of capacity on these services.

Route	School journey
