

To help make school/college journeys as smooth as possible we are adding additional journeys to some services and when possible making some buses for the sole use of students. The tables below show our school/college services and extra journeys on our normal timetables.-

School services listed below are marked 's' only available for the use of school/college students Pupils from any year group and from any school or college located on the route can travel on these buses. If you need to travel on the same bus as pupils from another school then please sit with others from your own school, ideally from your own year group. Where possible we ask you to maintain social distancing, although capacity on these buses will be increased allowing students to sit next to each other and standing if necessary. The seats behind the driver and any facing each other will be taped off and should not be used. We recommend that all pupils over the age of 11 wear a face covering, exemptions apply.

Services without 's' are additional journeys on the normal service and are available to all customers and normal Covid social distancing and capacity is in place.

Most services listed below are additional buses added to the normal timetable, however, some are the normal service bus that has been 'closed' for students only and these are marked accordingly.

**This list will be updated regularly as more information or changes are made.**
