

Route numbers that begin with an "S" are reserved for school, sixth form and college pupils only. Pupils from any year group and from any school or college located on the route can travel on these buses. If you need to travel on the same bus as pupils from another school, please sit with others from your own school, ideally from your own year group. Where possible we are asking you to maintain social distancing, although capacity on these buses will be increased allowing students to sit next to each other and standing if necessary. The seats behind the driver and any facing each other will be taped off and should not be used.

If your journey is a new additional bus, reduced capacity rules will apply, which are clearly marked out onboard, we have ensured there is plenty of capacity on these services.

Face coverings must be worn at all times by anyone over the age of 11, exemptions apply.
