

IRON 5% CITRIC CHELATED SOLUTIONS

Product Code: 10001187 (Tote) / 10000818 (Jug) / 10000977 (Bulk)

GUARANTEED ANALYSIS

Sulfur (S).....	2.8%
2.8%.....Combined Sulfur	
Iron (Fe).....	5.0%
5.0%.....Chelated Iron	
Derived from: ferrous sulfate	
Also contains non-plant food ingredient: citric acid	

PRODUCT INFORMATION: Iron 5% is a chelated micronutrient formulated for foliar application. It is recommended for use as an additive in dry or liquid fertilizers and is compatible with most of the herbicides, insecticides, and agricultural chemicals that can be utilized in combination with liquid fertilizers. Iron 5% may not be compatible with some liquid fertilizer formulations.

DIRECTIONS FOR USE: Use in accordance with recommendations of a qualified individual/institution. Do not allow to freeze. Iron 5% is compatible with many crop protection products as a tank mix partner. The Andersons recommends a compatibility (jar) test before field mixing and application. Always read and follow all individual product labels before use. For more information, visit AndersonsPlantNutrient.com/Tank-Mix.

Foliar Application: Fill spray tank with water prior to adding fertilizer or other products. Use only as a supplement to a regular nutrient management program. Repeat applications may be beneficial. Use only as directed to avoid foliar burn. Do not apply when crop is excessively stressed for moisture or during periods of high temperatures. Use of a surfactant may enhance leaf coverage and increase nutrient absorption.

RECOMMENDED RATES: This product should be used on the basis of a soil and/or tissue analysis. Suggested application rates are for one growing season (gallons per acre) in the absence of soil and/or tissue analysis.

	Application	Use Rate (per acre)	Timing
Field & row crops; vegetables	Foliar	1-2 quarts	Post emergence

WARNING

CAUSES SKIN AND SERIOUS EYE IRRITATION
MAY BE HARMFUL IF SWALLOWED
MAY CAUSE RESPIRATORY IRRITATION

PRECAUTIONARY STATEMENTS:

- Call a poison center/physician if unwell
- Wear protective gloves/clothing and eye/face protection
- Do not eat, drink, or smoke when using product
- Wash hands after handling
- Use only outdoors or in well ventilated areas
- Avoid breathing mist
- Store container tightly closed, locked up
- Dispose of contents/container in accordance with national/regional/local regulations

FIRST AID MEASURES:

- If inhaled: Move victim to fresh air. Seek medical attention if irritation persists.
- If on skin: Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before re-use.
