WARNING
Harmful if inhaled
Causes eye irritation
May cause gastric discomfort
May cause mild skin irritation

Precautionary Statements

Harmful if inhaled. Avoid breathing dust. Repeated or prolonged inhalation of dust may lead to depression of the respiratory system. Use only outdoors or in a well-ventilated area. Causes moderate but reversible eye irritation. May cause gastric discomfort. May cause mild skin irritation. Wash hands thoroughly after handling.

First Aid

If inhaled:	Remove person from contaminated area to fresh air and assist breathing as needed. Seek medical attention if irritation occurs.
If in eyes:	Flush eyes with clean water for at least 15 minutes. Lift eyelids to facilitate irrigation. If present, remove contact lenses after 5 minutes and continue rinsing. Seek medical attention if irritation persists.
If ingested:	Seek medical attention or call a poison control center for treatment advice. Do not induce vomiting unless instructed to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or	Remove contaminated clothing and wash before re-using. Flush skin with water and then wash with soap and water. Seek medical attention if irritation persists.

FLORIDA APPLICATIONS:

We recommend that you follow the Florida Green Industries BMP's at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-04706>

We recommend that you follow the Florida Golf Course BMP's at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-04702>

RECOMMENDED PRODUCT RATES BASED ON BAGS OF PRODUCT PER 100 GALS. WATER PER ACRE		
RATES	25 lbs. per 100 gals./acre (1 bag)	50 lbs. per 100 gals./acre (2 bags)

POUNDS OF NUTRIENTS PER 1,000 SQ. FT. PROVIDED AT ONE AND TWO BAGS/100 GALS./ACRE RATES

Product	1 BAG			2 BAGS		
	Lbs. N per 1,000 sq. ft.	Lbs. P ₂ O ₅ per 1,000 sq. ft.	Lbs. K ₂ O per 1,000 sq. ft.	Lbs. N per 1,000 sq. ft.	Lbs. P ₂ O ₅ per 1,000 sq. ft.	Lbs. K ₂ O per 1,000 sq. ft.

DIRECTIONS FOR USE

Apply only as directed. Apply during the growing season.

Dilution Information:

Determine desired application rate and the intended dilution. Add half of the total water to the tank. Activate sprayer agitator mechanism. Measure the appropriate volume of fertilizer concentrate and add to the spray tank. Water temperature will affect dissolution rate. Bring spray tank to total volume with water. Test compatibility before adding to the spray tank with other products. If tank mixing with pesticides, follow published guidelines for compatibilities and the order of chemical additions.

TURF: For use on all turfgrasses on golf course putting greens, tees, fairways, lawns, commercial grounds and other turf areas. Time of application and dosage rate depend on use, turfgrass species and weather conditions. Recommended rate is between one and two bags per acre mixed with no less than 100 gallons of water. 100 gallons of water per acre is equal to 2.3 gals. per 1,000 sq. ft.

TREES & SHRUBS: Two to three pounds of nitrogen per 1,000 sq. ft. per year are recommended for maintenance of landscape trees and shrubs. For best results, apply these levels of nitrogen over several applications made during the growing season. A minimum of 25 gallons of water per 1000 sq. ft. is recommended for this application.

FLOWER BEDS: Dissolve 8-10 oz. of fertilizer per 25 gals. of water or 1 tbsp. fertilizer per gallon of water. Apply 1-2 qts. of this solution per square foot of planted ground area for a thorough soaking of the soil. Repeat applications every 7-14 days.

FERTIGATION RATES (Pounds of Product per 100 gallons of Water)				
Injector Ratio	25PPM-N	50PPM-N	75 PPM-N	100PPM-N
1:100	7.5	15.1	22.6	30.13
1:50	3.6	7.6	11.3	15.1
1:30	2.3	4.5	6.8	9.0
Maximum solubility: 3 Lbs. 6 oz./gallon in warm water				

STORAGE AND USE

Store in a clean, dry place.
Reseal opened bag by folding top down and securing.
Use only in clean, dry spreaders.
Do not leave unused product in spreaders.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions.
