Contec DE

Dispersing Granule Technology

12-24-8

- Patented dispersing granule formula
- Greatly reduces mower pickup of fertilizer particles
- Slow release nitrogen from MUtech™
- Contains iron and manganese
- High phosphate formula using monoammonium phosphate

U.S. Patent #6,884,756 and #7,789,932	F002091

HARMFUL IF SWALLOWED MAY CAUSE MILD SKIN IRRITATION

Dispose of contents/container in accordance with national/regional/local regulations.

MAY CAUSE RESPIRATORY IRRITATION Keep out of reach of children. Read label before use. If medical advice is needed, have product container or label on hand. Call a poison center/physician if unwell. Do not eat, drink or smoke when using this product. Wash hands after handling. Use only outdoors or in well ventilated areas. Avoid breathing dust. If inhaled, remove to fresh air and keep at rest in a position comfortable for breathing. Store container tighly closed.

Infromation regarding the contents and levels of metals in this product is available on the internet at:

http://www.regulatory-info-ap.com

If victim is alert and not convulsing, give one glass of water to dilute material, but DO NOT induce vomiting. Seek immediate medical attention. Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before re-use. Immediately flush with water for at least 20 minutes. Seek medical attention if irriation Move victim to fresh air. Seek medical attention if irritation persists.

Apply only as directed during the growing season. Use Contec DG® Dispersing Granule Technology 12-24-8 where a high phosphorus fertilization is desired or when iron and manganese are needed to help correct or prevent deficiencies during the growing season. Watering in this product will disperse each granule into thousands of particles. This will facilitate the movement

of the nutrients into the soil. This particle dispersion will also greatly reduce ball, shoe and mower pickup. Cold weather and/or cold water (lower than 45°F/7°C) can result in slower particle dispersion. Application to wet, close-cut golf turf may result in foliar staining, which will discolor the turf to a brown/black appearance. This will occur even if immediate irrigation or rainfall occurs. Be sure to apply this product to dry turf

Phosphate Notice: This lawn/turf fertilizer contains phosphorus and is only for nonagricultural use on (i) turf during its first growing season, (ii) on turf areas being repaired or renovated, and (iii) on turf where a soil test performed within the last 3 years indicates a phosphorus deficiency. This fertilizer is not for the routine

LOW: 3.13 lbs/1,000 sq. ft

MEDIUM: 4.20 lbs/1,000 sq. ft. HIGH: 5.21 lbs/1,000 sq. ft. HEAVY: 6.25 lbs/1,000 sq. ft.

We recommend that you follow the Green Industries BMP's at: http://fyn.ifas.ufl.edu/pdf/GIBMP_Manual_Web_English_2015.pdf

We recommend that you follow the Golf Course BMP's at: http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/glfbmp07.pdf

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension, or apply according to recommendations in your approved nutrient management plan.

Immediately after application, apply a minimum of 0.2 inches of water to disperse particles into the root zone. Due to variations in temperature and water pH, best results are achieved by splitting the irrigation into 2 applications at 10-15 minutes apart. This will allow for more thorough particle dispersion into the root zone.

Particle color may vary from lot to lot. CAUTION: The application of fertilizing materials containing molybdenum may result in forage crops containing levels of molybdenum which are toxic to ruminant animals.

product only onto your lawn, and sweep any product that lands in the driveway, sidewalk, or street, back onto

Store in a clean, dry place.

Reseal opened bag by folding top down and securing. Use only clean, dry spreaders. Do not leave unused product in spreaders.

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILTY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILTY OR FITNESS FOR A PARTICULAR PURPOSE. To the extent consistent with applicable law, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer's choice. To the extent consistent with applicable law, Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE JURISDICTION.
