

HUMIC PRODUCTS & SOIL ENHANCERS

SOIL ENHANCERS

RejuvaSoil™

ALL-NATURAL SOIL ENHANCER

- Contains Humic DG™, BioChar DG™, and a beneficial microbial package
- Ideal for improving degraded or compromised soils
- Increases soil microbial populations, adds organic matter to soil, and improves nutrient efficiency
- Results in better soil nutrient and water holding capacities and improved turfgrass color and green-up
- Can be used with all turfgrass species, with or without a conventional fertility program

PRODUCT CODE 10007960

DESCRIPTION RejuvaSoil soil enhancer

PRODUCT SIZE Standard

PRODUCT USES Broadcast applications for cool and warm-season turfgrass, commercial and residential lawns, trees, ornamentals, and nursery

APPLICATION For turfgrass (broadcast apply):
3-5 lbs/M; 130-218 lbs/Acre
